FEEDBACK ACTION TAKEN REPORT(2022-23)

Based on the feedback provided by the Alumni, the institute took the following action steps:

Infrastructure: With favorable ratings overall, the institution continue maintaining and improving the infrastructure.

Teaching and Learning: The positive ratings for teaching and learning indicate the effectiveness of the faculty and teaching strategies. The institution appreciated the faculty for their efforts and continue providing support and professional development opportunities to further enhance their teaching skills.

Growth Opportunities for Students: The positive ratings regarding growth opportunities indicate that the institution is on the right track. However, the review feedback from the respondents who had less positive views to identify areas for improvement. The institution focused on expanding and diversifying the range of growth opportunities available to students, such as internships, workshops, seminars, industry collaborations.

Overall, the institution carefully analyzed the feedback received, identified areas for improvement, and developed action plans accordingly.
