## About the Management and the College

Charutar Vidya Mandal (CVM) is a reputed educational trust committed to quality education, research, innovation, and social development. It manages several leading institutions across diverse disciplines. S. M. Patel College of Home Science, managed by CVM and affiliated to Sardar Patel University, Vallabh Vidyanagar, is a premier institution in Home Science. The college focuses on excellence in teaching, research, and community outreach, with key areas including Foods Nutrition & Dietitics, Human Development & Family Studies, Family Resource Management and Textile and Clothing.

## ABOUT THE SEMINAR

Artificial Intelligence is emerging as a powerful tool in research and innovation across disciplines. In Home Science, AI offers new possibilities in nutrition planning, sustainable living, health monitoring, and education.

This national seminar aims to bring together academicians, researchers, and students to explore how AI-driven research can contribute to achieving Sustainable Development Goals and strengthen innovation in Home Science across disciplines.

## OBJECTIVES OF THE SEMINAR

1. To explore the use of AI to catalyze research and innovation in Home Science.
2. To promote the use of AI in achieving Sustainable Development Goals.
3. To illustrate the role of AI in lifelong learning and research.

## THEMES / SUB-THEMES

1. AI for Nutrition and Food Security.
2. Ergonomically optimised smart systems, Environment & Sustainable living with AI.
3. AI in Health, Education and Human well being.
4. AI Applications in Society, culture & Human behaviour.
5. AI in Innovation, Entrepreneurship, start-up ecosystem and Challenges of AI in Social Sciences.
6. Responsible AI Ethics in consumer studies, markets & Digital Economy .
7. AI in Textile, Clothing & Sustainable fashion systems.
