Certificate Course in Fashion Accessories and Fashion Sketching

Course Title	Certificate Course in Fashion Accessories and Fashion Sketching
Department	Textiles and Clothing
Coordinator	Dr. Harbinder Kaur R Gotre
Duration (Hours)	30 Hours
Credits	2 Credits
Dates	23 rd May 2024 to 3 rd June 2024
Number of Participants	08
Course Objective	• Understand the fundamentals of fashion sketching and fashion accessories. • Develop skills in drawing fashion figures, garments, and accessory illustrations. • Apply different rendering techniques using various colouring media and textures. • Design and develop a range of fashion accessories with creativity and technical accuracy.
Major Topics (Covered)	➤ Module I – Fundamentals of Fashion Sketching ➤ Module II – Garment Illustration & Rendering Techniques ➤ Module III – Fashion Accessories Design & Development ➤ Module IV – Creative Fashion Collection Development & Portfolio Presentation
Activities Conducted	The course was highly practical and activity-oriented, including demonstrations on fashion figure drawing, croqui development, garment illustration, and rendering techniques. Students practiced body proportions, fabric textures, colour application.

	Continuous guidance from the resource persons, Ms. Arpita Vishwakarma and Ms. Janki Prajapati, helped students enhance their creativity, technical skills, and confidence in fashion sketching. Participants designed and created fabric-based fashion jewellery using a variety of creative techniques. The activities included hand painting on fabric, beadwork, thread wrapping, embroidery, fabric manipulation, appliqué, sequins and mirror embellishment, and the use of laces, ribbons, cords, and decorative trims to develop unique necklaces, earrings, bracelets, brooches, and hair accessories. Emphasis was placed on creativity, colour coordination, sustainable use of fabric scraps, and the development of aesthetically appealing handmade fashion jewellery.
Learning Outcome	Upon successful completion of this Certificate Course, participants will be able to: • Understand the fundamental concepts, principles, and importance of fashion sketching and fashion accessories in the fashion industry. • Develop accurate fashion figures (croquis), garment illustrations, and fashion poses using appropriate drawing techniques and proportions. • Illustrate and render garments and using suitable colouring media, fabric textures, drape effects, and shading techniques. • Design and develop creative and aesthetically appealing fashion accessories such as jewellery, and hair accessories based on design principles and current fashion trends.
