2025-2026

Report of Internship

As part of their curriculum, V semester Family Resource Management students embarked on a summer internship program between Dec 1st and Dec 30th, 2025. This program aimed to bridge the gap between theoretical knowledge and practical application in the field. Partnering with esteemed establishment in the Anand District, including Madhubhan Resort and Spa, Hotel H ,students gained valuable experience in various hospitality operations like food and beverage service, housekeeping, and front office procedures. This hands-on learning allowed them to interact with guests, contribute to a smooth guest experience, and gain insights into the day-to-day workings of the hospitality industry. Further expanding their professional horizons, a select group of students secured internships with renowned AUTOCAD academy to learn AUTOCAD 2D and 3D along with photoshop and coraldraw. Additionally, one student gained practical knowledge in travel planning through an internship at Travelems learning the ropes of event logistics and execution firsthand. One student went to Unique Associate, Dahod to gain practical and logical knowledge in interior space designing. Throughout the program, students honed essential skills beyond technical expertise. They developed strong communication and leadership abilities while fostering teamwork and professional etiquette. By meticulously documenting their experiences and completing all assigned tasks, they showcased dedication and a commitment to personal growth. Their commitment was further recognized by the participating institutions, who commended their contribution and provided stipends along with training certificates upon completion of the program.

This enriching internship program proved instrumental in bridging the gap between theory and practice. Students gained invaluable exposure to diverse career paths within hospitality, design, and event management, equipping them with the skills and confidence to excel in their chosen fields. The college distributed evaluation sheets to the institutes for them to assess their students. These institutes returned the completed sheets with ratings for the students in various areas, such as their intellectual abilities and learning aptitude, professional skills and knowledge, work output and performance, communication skills, initiative and drive, honesty and integrity, punctuality and attendance, personal presentation, cooperation and diplomacy, relationships with colleagues, and dedication to their responsibilities. Students were rated on a five-point scale ranging from Excellent to Unsatisfactory
